air pressure while cycling. Fasten it to your helmet for a quick wind noise fix, reducing your ear aches and allowing you to ride all year long.

- Designed for Your Convenience - You can quickly attach the block helmet strap to your helmet – thanks to its patented clip design. It is user-friendly and machine-washable, requiring only simple and minimal upkeep.
- Sleek, Functional Straps - Wearing our noise blocker helmet attachments add an elevated look to your riding gear. They are crafted from modern sports fabric with reflective lettering designed to enhance nighttime visibility.
- Built to Last - These premium ear noise blockers can withstand multiple, tough road cycling seasons. Carefully developed by our engineers, our biking helmet essential provides you with a long ear coverage for years to come. Note: This product is NOT a helmet.
